

FACULTY POSITION IN ELECTRICAL ENGINEERING AT RIT DUBAI

RIT Dubai is currently seeking applications from exceptional candidates for full-time positions in Electrical Engineering in the area of electronics and computer engineering. RIT Dubai is looking for a highly qualified, motivated and enthusiastic individual to help in establishing a comprehensive American university campus in UAE.

Responsibilities include teaching and education activities, course development, undergraduate and graduate advising; engaging in scholarship and research activities; and professional service activities (committees, professional societies, and leadership activities).

The appointment can be at the Assistant/Associate/Full Professor rank. Individuals who will be on sabbatical or interested in a visiting position are also welcome to apply. The selected faculty is expected to start on September 1, 2012 in Dubai.

REQUIRED QUALIFICATIONS:

- PhD in Electrical Engineering or a closely related field, with completion date prior to September 1, 2012.
- Ability to teach undergraduate and graduate courses in the broad area of electrical engineering including analog and digital electronics, computer architecture, and microprocessors.
- Excellent communication skills.

PREFERRED QUALIFICATIONS:

- Teaching experience
- Applied research and scholarship activities in the field
- Industrial experience

Additional Details

RIT Dubai a branch campus of the Rochester Institute of Technology in Dubai, United Arab Emirates. It was established in June 2008 to offer RIT degrees and curriculum in Dubai. Currently it offers bachelors and masters degree programs in engineering, business, computing and leadership.

THE UNIVERSITY: RIT is a multifaceted university located in Rochester, New York. The university offers more than 200 options in its professional career programs and delivers courses on-campus, online and in numerous international locations. The university enrolls more than 18,500 students who come to RIT from all 50 states and more than 90 countries.

SALARY: Salary commensurate with qualifications and experience.

APPLICATION PROCEDURE:

Please email your application to careersdubai@rit.edu. Please submit the following items as part of your application:

- Resume or curriculum vitae
- Contact information
- A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
- A teaching philosophy statement
- A research and scholarship plan statement
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is found.
