

FACULTY POSITION IN MECHANICAL ENGINEERING AT RIT DUBAI

Brief Description

RIT Dubai is currently seeking applications from exceptional candidates for a full-time position in Mechanical Engineering in areas of mechanics, materials science, and design. RIT Dubai is looking for highly qualified, motivated and enthusiastic individuals who are committed to excellence in teaching and scholarship to help in establishing a comprehensive American university campus in UAE. Responsibilities include teaching and education activities (teaching undergraduate and graduate courses, course development, undergraduate and graduate advising); engaging in scholarship and research activities; and professional service activities (Committee, professional societies, leadership activities). The appointment can be at the assistant/Associate/Full Professor rank. Individuals who will be on sabbatical or interested in a visiting position are also welcome to apply. The selected faculty is expected to start on August 15, 2012 in Dubai.

Detailed Description

REQUIRED QUALIFICATIONS:

- PhD in Mechanical Engineering or a closely related field, with completion date prior to August 15, 2012
- Ability to teach a wide range of courses in Mechanical Engineering at the undergraduate and graduate level
- Research background and interests in the broad field of Mechanical Engineering.

PREFERRED QUALIFICATIONS:

- Demonstrated applied research and scholarship activities in the field
- Previous teaching experience in US institution
- Research interests in the broad area of Mechanics, Materials, or Design.
- Excellent communication skills.
- Industrial experience
