

MULTIPLE FACULTY POSITIONS AT RIT DUBAI

Rochester Institute of Technology (RIT) Dubai is currently seeking applications from exceptional candidates for full-time positions in the following areas beginning in September 1, 2011:

- Electrical Engineering (electronics, signal processing and controls)
- Mechanical Engineering (fluids, mechanics, materials, renewable and alternative energy)
- Business Administration (management, marketing, finance and accounting)
- Computing and Information Sciences (networking, computer security and IT)
- Mathematics
- English
- Liberal Arts

RIT Dubai is looking for highly qualified, motivated and enthusiastic individuals to join the team establishing a comprehensive American university campus in the United Arab Emirates.

Responsibilities include teaching undergraduate and graduate courses, course development, and engaging in scholarship activities. Responsibilities also include service on program and university committees, career advising, and maintenance of professional and technical capabilities and affiliations.

- Appointments can be at the Assistant/Associate/Full Professor or Instructor rank.
- Candidates for Assistant/Associate/Full Professor positions must have an earned PhD in a relevant area and must have demonstrated ability or potential for excellence in teaching and research.
- Applicants for Business Administration positions must be Academically Qualified (AQ) as defined by AACSB.
- Applicants for the English, Liberal Arts and Mathematics Instructor positions must have at least a masters degree but a PhD is preferred.
- Preference will be given to candidates with previous academic and teaching experience at the postsecondary level.
- Individuals who will be on sabbatical or interested in a visiting position are also welcome to apply.

For more details about these positions visit our website <http://dubai.rit.edu/employment.php>

APPLICATION PROCEDURE:

Please apply by sending an email to careers@ritdubai.ae. Please include the position you are applying for in the subject of the email.

Please include in the subject of the email the position for which you are applying. Application review will begin immediately and continue until positions are filled. Please submit the following items as part of your application:

- a cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position
- contact information
- resume or curriculum vitae
- a teaching philosophy statement
- representative teaching evaluations for candidates with prior teaching experience
- a research and scholarship plan statement
- names, addresses and phone numbers of three references

Additional Details

RIT Dubai a branch campus of the Rochester Institute of Technology in Dubai, United Arab Emirates. It was established in June 2008 to offer RIT degrees and curriculum in Dubai. Currently it offers bachelors and masters degree programs in engineering, business, computing and leadership.
